Glencairn Park Public Outreach

Date and Time: Monday, June 2 4:00 pm - 7:00 pm

Address: 8757 Concession Road 2, Glencairn

The community of Glencairn is invited to take part in a hands-on public outreach event to help shape the future of Glencairn Park. Families will have the chance to design their ideal park using a special budget-based activity, where they'll be given "Adj-Tos Bucks" to spend on features they'd like to see in their park.

This interactive event encourages residents to share their vision while working within real-world budget limits. Feedback collected will help guide the Township for future planning.

This is just the first stop in a series of upcoming events — we'll be visiting other communities in the coming months to hear what residents want to see in their neighbourhood parks.

Join us and help build a park that reflects your community's needs and ideas!
